Attention Juniors!

Paid Internships in New York City as a

Global Markets Summer Analyst

*Deadline to apply: February 14*

*Very Important Informational Meeting*

**Wednesday, January 29 10:30-11:00 am**

Muwekma Ohlone Conference Rm in Bay Tree Building

Societe Generale, one of the world’s leading financial firms, is looking for UCSC interns to work in New York City this summer. Last year, two UCSC students summer interned in this exceptional program. This is a full-time, paid 10-week program with desired start date of June 16, 2014. Interns can be considered for full-time employment upon successful completion of their summer internship! Societe Generale seeks Juniors graduating between December 2014 and June 2015 who:

* Have a strong academic record, GPA of 3.4 or higher
* Have a major in business management economics, computer science, economics, global economics, mathematics and physics
* Are dynamic and detail-oriented, who are able to work in a high pressure environment
* Have excellent written & verbal communication skills
* Demonstrate teamwork and responsibility
* Stay abreast of current business and economic developments relevant to the client's business and use current technology and tools to enhance the effectiveness of the services provided.

Please see the SlugQuest announcement for detail and application directions. If you cannot attend the informational meeting, please contact Mark Yogi at the Career Center who will be happy to help you: myogi@ucsc.edu; 459-4767.
